Summary: I think that this is more about the writer war than the animorphs, but it fits for either one.

Welcome To The War Zone

Welcome to the War Zone by Joltz

Welcome to the war zone

Where horrors abound

Where blood is spilled

And weaponry sounds

Fear is abundant

Blood lust is high

Silver blades flashing Against a gray sky

We're battling for freedom

Whatever side for which we fight

Definitions of freedom vary

But that doesn't make the war morally right

"We'll fight until we die!"

I once heard someone say

Welcome to the war zone

I hope you enjoy your stay
